

**NOTICE is hereby given to the Residents of the
TOWN OF FORT FRANCES**

The Council of the Town of Fort Frances has passed By-Law No. 37/15 to provide for traffic controls and parking restrictions along a temporary detour route during reconstruction of King's Highway, between York Avenue and Wright Avenue.

The installation of Special Stop Signs at various intersections within close proximity to the construction site and the detour route, enable proper control of traffic and ensure the safety of pedestrians and vehicles alike. To view a list of the special stop signs, please visit the Town's website at www.fort-frances.com.

The restricted parking (on Fridays and Saturdays) on Wright Avenue and Fourth Street West will assist with the movement of traffic through the detour route.

The provisions of this by-law shall be in force and effect during the reconstruction, watermain and sewer replacement of King's Highway between York Avenue and Wright Avenue (Tender 15-OF-10).

Elizabeth (Lisa) Slomke
Town Clerk
